

International Mobile Recharge

Now Prepay is your one stop shop prepaid provider.

Let us increase your retail sales with our prepaid services!

Now Prepay is a distributor of prepaid products through our eFresh technology. Our solution offers significant benefits to retailers, including a continuous supply of prepaid product inventory, elimination of shrinkage and theft, customer loyalty and revenue contribution. Retailers have immediate access to popular products such as prepaid wireless, long distance, gift cards and International Mobile Recharge.

With International Mobile Recharge from More Magic, consumers can top up your friends and families mobile phones in Sri Lanka and abroad from Canada! Top ups are available in \$5 to \$50 denominations and the mobile phone is topped up in the local currency. Learn how you can offer this exciting product to your customers!
